- Stash trekking poles on pack exterior using webbing and bungee cord loops. Also features daisy chain loops on pack exterior for extras

- Top grab handle for easy movability
- Accessory rain cover and 7L Trash Can for collecting day trash and trail litter - sold separately

Measuring Torso Length

Backpack sizes are determined by torso length. You'll want a friend and a tape measure to get this job done. Measure the distance between your C7 Vertebrae and Iliac Crest to find your torso length.
